Who We Are

We are triathletes, runners, cyclists and swimmers of all ages and abilities. We swim, bike and run for fun, to stay fit and to socialise with like-minded people

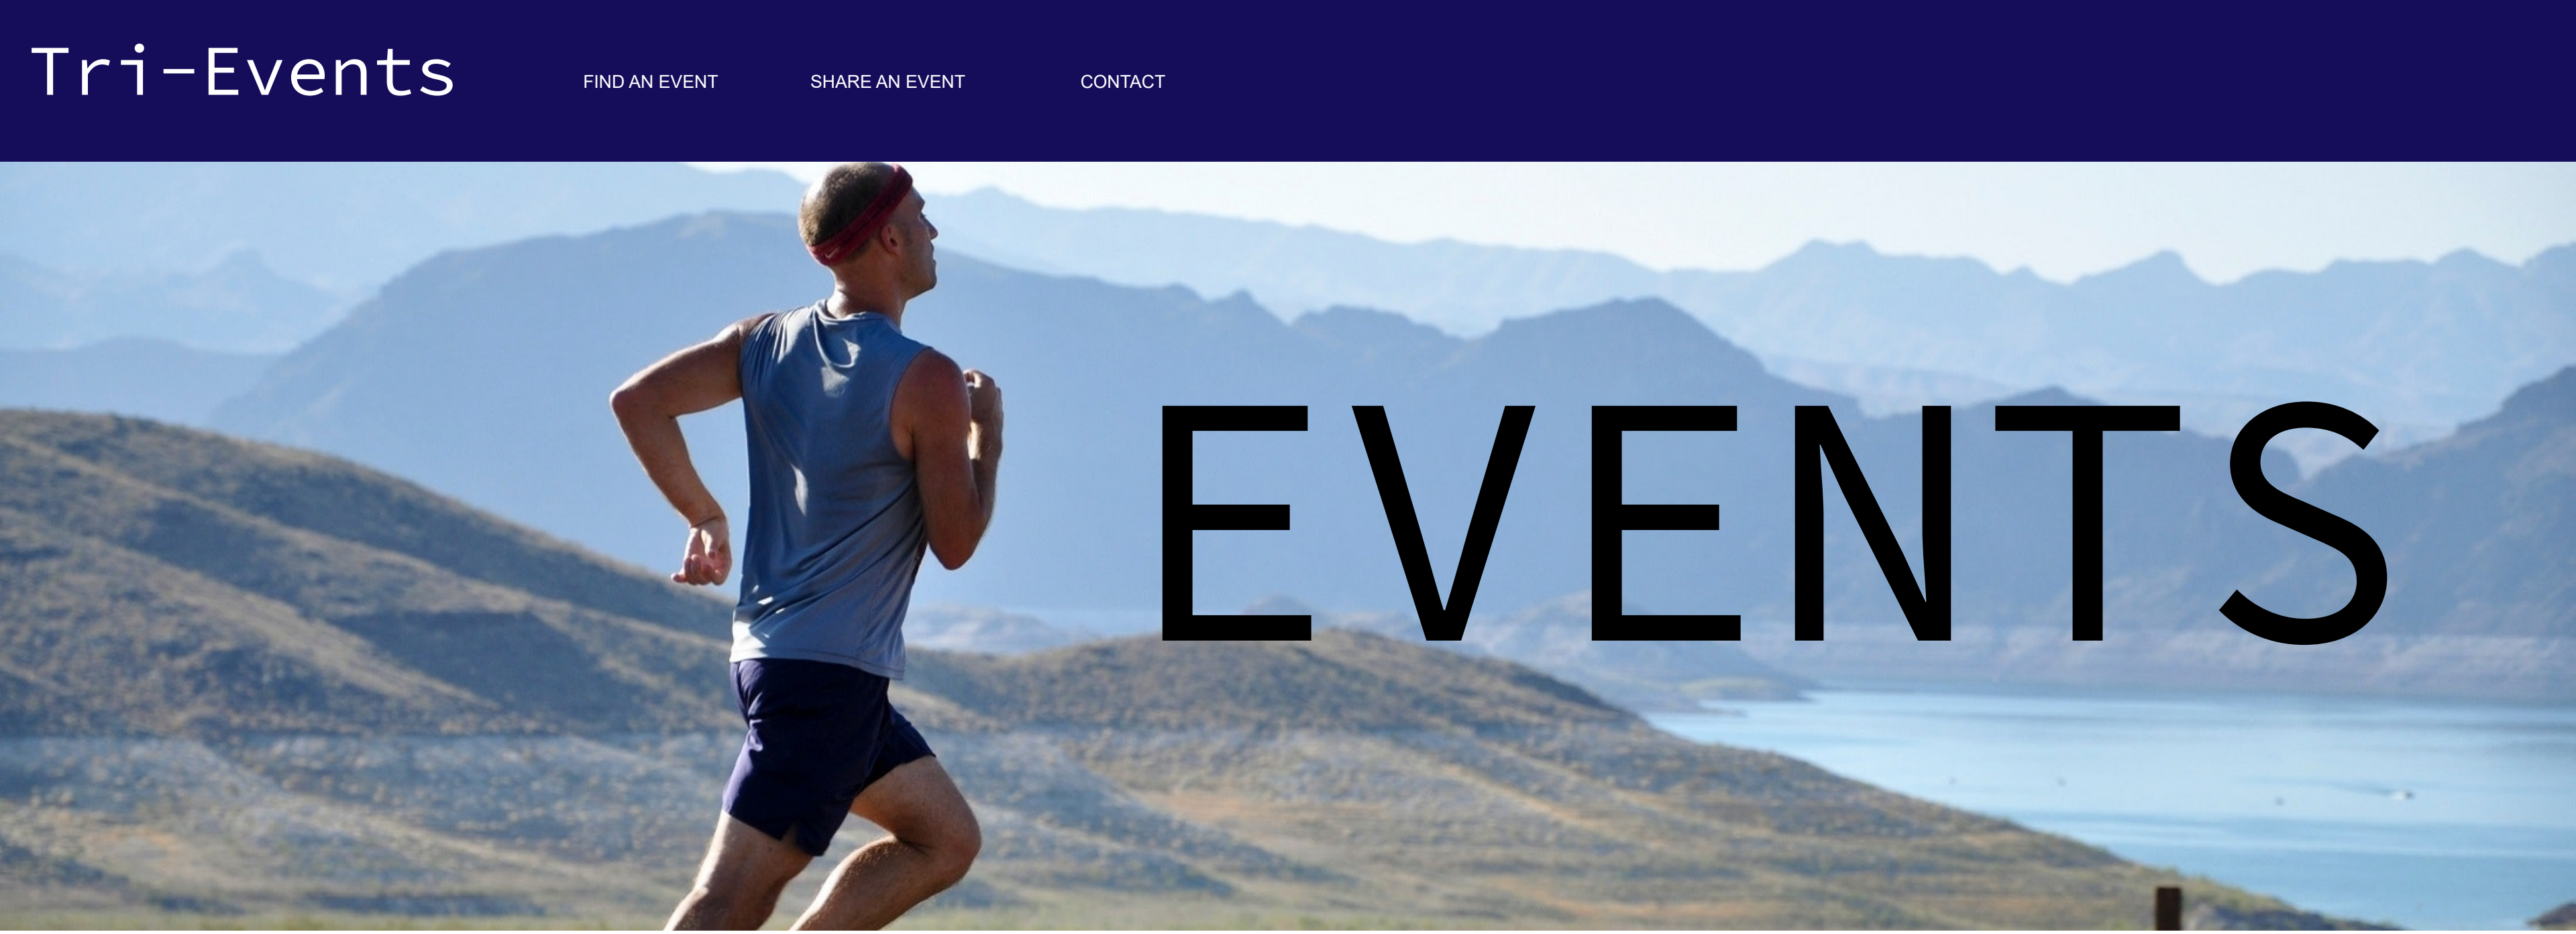

What We Do

Our sole purpose at Tri-Events is to build our triathlon community by sharing events so that others, like you and me, can find the perfect event in which to compete, stay fit and most importantly have fun!

How We Do It

This community led website where you can search for the right event for you based on the type of event are looking for, distance, ability and, of course, location.

If you an organiser or want to share a great event, you can do that, too. You can add, edit and provide reviews for events so that others can find all they need to know about the event and make an informed decision about whether or not to enter.
